LETTER FROM THE BOARD

GENERAL MANDATE TO ISSUE NEW SHARES

At the AGM, an ordinary resolution will be proposed to grant to the Directors a general and unconditional mandate to allot, issue and deal with additional Shares representing up to 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the resolution. As at the Latest Practicable Date, the issued share capital of the Company comprised 1,566,851,000 Shares. Assuming that there is no change in the issued share capital of the Company between the period from the Latest Practicable Date and the date of passing the resolution approving the Share Issue Mandate, the maximum number of Shares which may be issued pursuant to the Share Issue Mandate on the date of passing the resolution approving the Share Issue Mandate will be 313,370,200 Shares, representing 20% of the issued share capital of the Company.

The Share Issue Mandate will end on the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required pursuant to the Articles or any applicable laws to be held; or (iii) the revocation or variation of the authority given under this resolution by an ordinary resolution of the Shareholders in general meeting.

Subject to the passing of the following ordinary resolution regarding the Share Repurchase Mandate, an ordinary resolution will also be proposed at the AGM to authorise the Directors to issue new Shares in an amount not exceeding the aggregate nominal amount of the Shares repurchased by the Company pursuant to the Share Repurchase Mandate.

GENERAL MANDATE TO REPURCHASE SHARES

At the AGM, an ordinary resolution will be proposed to grant to the Directors a general and unconditional mandate to exercise all the powers of the Company to repurchase issued Shares subject to the criteria set forth in this circular. In particular, Shareholders should note that the maximum number of Shares that may be repurchased pursuant to the Share Repurchase Mandate will be such number which represents 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the resolution subject to the Listing Rules. The Share Repurchase Mandate will end on the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required pursuant to the Articles or any applicable laws to be held; or (iii) the revocation or variation of the authority given under this resolution by an ordinary resolution of the Shareholders in the general meeting. As at the Latest Practicable Date, the issued share capital of the Company comprised 1,566,851,000 Shares. Assuming that there is no change in the issued share capital of the Company between the period from the Latest Practicable Date and the date of passing the resolution approving the Share Repurchase Mandate, the maximum number of Shares which may be repurchased pursuant to the Share Repurchase Mandate on the date of passing the resolution approving the Share Repurchase Mandate will be 156,685,100 Shares, representing 10% of the issue share capital of the Company.

An explanatory statement, as required under the Listing Rules to provide the requisite information in connection with the Share Repurchase Mandate, is set forth in Appendix I to this circular.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Group. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and beliefs the information contained in this circular is accurate and complete in all material aspects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Yours faithfully,
For and on behalf of the Board
HSU, Shu-tong
Chairman

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide all the information in relation to the Share Repurchase Mandate for your consideration.

1. LISTING RULES RELATING TO THE SHARE REPURCHASE MANDATE

The Listing Rules permit companies with a primary listing on the Stock Exchange to purchase their securities subject to certain restrictions.

All proposed repurchases of securities on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a general mandate or by a specific approval of a particular transaction and that the shares to be repurchased must be fully paid up. A maximum of 10% of the issued capital as to the date of passing the relevant resolution may be repurchased on the Stock Exchange.

2. SHARE CAPITAL

As at the Latest Practicable Date, there were 1,566,851,000 Shares in issue. Subject to the passing of the resolution granting the Share Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the AGM, the Company will be allowed to repurchase a maximum of 156,685,100 Shares representing 10% of the issued share capital of the Company as at the Latest Practicable Date.

3. REASONS FOR REPURCHASES

The Directors believe that the Share Repurchase Mandate is in the best interests of the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

4. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles and the applicable laws and regulations of the Cayman Islands.

It is presently proposed that any repurchase of the Shares would be made out of profits of the Company or the proceeds of a fresh issue made for the repurchase or out of capital provided that on the day immediately following the date of repurchase the Company is able to pay its debts as they fall due in the ordinary course of business.

5. IMPACT OF REPURCHASES

On the basis of the financial position of the Company as at 31 December 2014 (being the date of its latest audited accounts), the Directors consider that there is no material adverse impact on the working capital or gearing position of the Company if the Share Repurchase Mandate is exercised in full during the proposed repurchase period.

However, the Directors do not intend to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital or the gearing level (as compared with the position disclosed in its most recent published audited accounts) which in the opinion of the Directors are from time to time appropriate for the Company.

6. GENERAL INFORMATION

None of the Directors nor, to the best of their knowledge and having made all reasonable enquiries, any of their associates (as defined in the Listing Rules), have any present intention to sell any Shares to the Company or any of its subsidiaries, if the Share Repurchase Mandate is approved by the Shareholders.

No connected persons (as defined in the Listing Rules) of the Company have notified the Company that they have any present intention to sell any Shares to the Company, or have undertaken not to do so, if the Share Repurchase Mandate is approved by the Shareholders.

7. UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the Share Repurchase Mandate in accordance with the Listing Rules, the Articles and the applicable laws of the Cayman Islands.

8. TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase securities pursuant to the Share Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

To the best knowledge of the Company, as at the Latest Practicable Date, Asia Cement Corporation ("Asia Cement") held 1,136,074,000 Shares, representing approximately 73% of the issued shares.

If the Directors exercise in full the power to repurchase Shares pursuant to the Share Repurchase Mandate and assuming there will be no change in the issued share capital of the Company or alterations to the existing shareholding of Asia Cement, the shareholding of Asia Cement will be increased to approximately 80.56% of the issued share capital of the Company. The Directors believe that such an increase of shareholding will not give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code.

The Directors do not have any present intention to exercise the Share Repurchase Mandate to the extent that the number of Shares held by the public would be reduced to less than 25% of the Shares in issue, or to the extent that would result in an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code. Based on the information known to date, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Share Repurchase Mandate.

9. SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares has been made by the Company during the six months prior to the Latest Practicable Date.

10. SHARE PRICES

The highest and lowest prices per Share at which Shares have been traded on the Stock Exchange during each of the previous twelve months preceding the Latest Practicable Date were as follows:
